**DECLARATION OF LOUIS C. TING**

I, Louis C. Ting, declare as follows:

- 1) I am the Director of the Power System Planning and Development Division at the Los Angeles Department of Water and Power (LADWP). I graduated from the University of California Los Angeles with a Bachelor of Science in Mechanical Engineering in 1992. I am a California licensed Professional Mechanical Engineer. I have worked at LADWP since 1992.
- 2) As the Director of the Power System Planning and Development Division at LADWP, my responsibilities include the management and oversight of LADWP's regulatory standards and compliance division, such as LADWP's compliance with its renewables portfolio standards ("RPS") program. I am familiar with the LADWP's submissions to the California Energy Commission ("CEC") relating to LADWP's renewable resources and procurement. I am authorized to make this declaration on behalf of LADWP and the following matters are true and accurate to the best of my knowledge and belief.
- 3) LADWP reported 437,379 renewable energy credits ("RECs") for renewable energy procured from the generation of electricity from the British Columbia small-hydroelectric

generating facilities in LADWP's submission to the CEC for RPS compliance period one (January 1, 2011 to December 31, 2013).

4) Exhibit 01 is a true and correct copy of the Los Angeles City Council Resolution File No. 03-2064-S1 (Bates Nos. LA000001-LA000002).
