(Docket 07-AFC-06C) Proceeding

Date : August 4, 2016

From: **Paul Kramer, Hearing Officer**

California Energy Commission

Sacramento CA 95814-5512

Subject: **Closure of the Proof of Service List for the Carlsbad Amendments Proceeding**

In light of the Decision by the Energy Commission approving the Carlsbad Energy Center Project (CECP) Amendments, the Proof of Service (POS) list will be removed. Future documents will continue to be filed in the Compliance docket (07-AFC-06C).

Removal of the POS list will discontinue automatic email notices of new document filings to those on the list. If you are currently on the POS list and wish to continue to receive those notifications, you must subscribe to the CECP listserv, which provides similar notices to the public. To do so, please go to the CECP webpage on the Energy Commission website, located at <http://www.energy.ca.gov/sitingcases/carlsbad/index.html>. Scroll down to the box on the right-hand side of the page entitled "Subscribe." Enter your name and email address as indicated and click "Send." You will receive an email requesting that you confirm your listserv subscription by replying to the email.

Intervenors—Please also note that in the event that a future amendment petition is filed, you will need to re-apply for intervenor status; intervention is not automatically continued after the conclusion of a proceeding.

A copy of the final Proof of Service list is attached for reference.
