RE: Mission Rock Energy Center (15-AFC-02): Request for Extension of Time to Respond to California Energy Commission Staff's Data Request Set 1 and Set 1A

Dear Mr. Monasmith:

Data Request Set 1 and Data Request Set 1A were issued by California Energy Commission ("Commission") Staff to the Mission Rock Energy Center, LLC (the "Applicant") on June 24, 2016 and July 15, 2016, respectively. The Applicant and Commission Staff previously agreed to an extension of the deadline to respond to both Data Request Sets 1 and 1A until September 1, 2016. By this letter, the Applicant seeks an additional extension to respond, with responses due on October 3, 2016.

There is good cause for an additional extension of time. The Applicant will attend the workshop on August 26, 2016 to discuss the objections raised to Data Request Set 1. The Applicant anticipates that Commission Staff and the Applicant will be able to reach a compromise for some of the data requests. Therefore, due to the number and complexity of the requests, and the Applicant's desire to provide a single, consolidated response to Data Request Sets 1 and 1A, further extension of the deadline to respond is warranted.

The Applicant will not object to a day-for-day adjustment to the schedule, if necessary, set forth in the Scheduling Order issued by the Committee¹ where Applicant's responses to Staff's Round 1 Data Requests are submitted after September 1, 2016.

Sincerely,

ELLISON, SCHNEIDER & HARRIS LLP
