Subject: Summary of Committee Orders and Report After September 6, 2016, Closed Session

Following its closed session during the September 6, 2016, Committee Status Conference, the Committee orally made several orders and a report. This memorandum summarizes those orders and report.

1. The parties are ordered to confer and file a joint statement of stipulated facts no later than October 5 (two weeks after Reply filings are due).
2. In addition, each party is ordered to file individual statements describing any facts it believes are necessary to the resolution of the issues but about which it cannot reach agreement with the other party. If there are no disputed facts, you do not need to file a statement.
3. The Committee has reserved time on its calendars for future events on:
  - Thursday, October 20, 2016 (afternoon)
  - Monday, November 14, 2016 (morning)
  - Tuesday, November 22, 2016 (all day)
  - Wednesday, December 7, 2016 (morning)
  - Thursday, December 15, 2016 (all day)

The parties are requested to inform the Committee of any conflicts these dates present.

4. Staff shall address LADWP's concerns about a lack of foundation for specified staff documents by declaration(s) meeting evidentiary standards or other appropriate means.
5. The Committee may have additional questions regarding the BC Hydro issues. We won't know for sure until after we review the reply filings due on September 21.
