LADWP RPS Appeal Proceeding
(16-RPS-02)

Date : September 23, 2016

From: Paul Kramer, Hearing Officer
LADWP RPS Appeal Committee

Subject: Filing Deadline for Individual Statements of Disputed Facts and Purpose of the
October 20, 2016, Committee Status Conference

The Los Angeles Department of Water and Power, Appellant in this proceeding, requested clarification regarding the deadline for filing individual statements of disputed facts.¹ Those statements shall be filed no later than October 12, 2016, one week following the deadline for the joint statement of stipulated facts. The disputed issues should, as a matter of course, be identified during the process of preparing the joint statement of stipulated facts. One week should be sufficient time to prepare the individual statements.

We note LADWP's report of scheduling conflicts on October 20 and November 22. We will still hold a Committee Conference on the afternoon of October 20, but it will be primarily for the purpose of deliberating in closed session. We will also keep November 22 on our calendars for the time being, if for no other purpose than to provide an opportunity for further deliberation in closed session.

Formal notice of the October 20 Conference will follow.
