**Requests for healing of confusing, deceptive, terminology, requirements, systems, communications, timing, rejection of protective essentials and responsibilities**

"Public" is closest choice of "role."

I'm retired advocate for Coalition for Responsible and Ethical Environmental Decisions

current effort to obtain functioning of our protective commissions and government officials as described in the definitions and printed purposes of their documents, decisions and programs, in a process of peaceful transition to heal our headlong climate and social systems dash for extinction of environment supportive of human, plant and animal survival in our dash toward extinction. Note: Requirement of choice of subjects could not be completed because I was not provided a list from which to choose. Lyn Harris Hicks
