Mr. William Dietrich, Manager
California Energy Commission
Existing Buildings and Compliance Office
1516 Ninth Street, MS-26
Sacramento, CA 95814-5512

Dear Mr. Dietrich,

We are enthusiastic and pleased to have an opportunity to submit our application to become a qualified Home Energy Rating Systems provider pursuant to California Code of Regulations Title 20 Chapter 4, Article 8, Sections 1670-1675, for 2013 and 2016 code requirements. We respectfully request that the Conserva Alliance application be handled under a status of Confidentiality.

Conserva Alliance LLC (hereafter known as Conserva Alliance or Conserva) is seeking certification as a Provider for Residential and Non-residential Prescriptive Alterations.

We have assembled a team of highly qualified HERS professionals who have years of experience in HERS Training and Certification, Registry Development and Support, along with Quality Assurance and Code Compliance.

The Conserva Alliance application is organized according to the requirements listed in **§1674. Certification of Providers and Rating Systems**. These include:

- All training procedures and materials
- Explanations in detail demonstrating how the Rating System meets each requirement of Section 1672
- How Conserva Alliance will meet the requirements of Section 1673
- Legal Information regarding the company, its operations and ownership
- Statements of Compliance with Standards with visual models and narratives describing the methods in which compliance will be accomplished
- Statements regarding the accuracy of the rating system
- Sworn Statement noting the veracity of all statements within the application and provided in the form specified by Section 2015.5 of the Code of Civil Procedure

Enlasys Corporation will be applying under Conserva Alliance as a Third Party Quality Control Program. They have a long and rich association with the California Energy Commission and we look forward to our relationship with them as they expand their scope of operations to a new provider.

We are grateful for the time and attention that will be expended in reviewing our application. If any thoughts or questions arise, we would be honored to have you or anyone on your team contact me. I will dutifully respond.

Cordially,

Alexander Trochez
