**COMMENTS:**

Staff emailed with Ms. Theresa Lubin with Ventura County Parks Department to find out the total acreage of local parks/facilities and regional parks/facilities and total miles of regional trails/corridors in Ventura County.

The data below is for the unincorporated area of Ventura County managed by the County Parks Department. The Cities have their own park departments/districts. Some of the Districts also manage trails and properties.

- Total (acres) Local Parks/Facilities = 22.03
- Total (acres) Regional Parks/Facilities = 4,639
- Total miles Regional Trails/Corridors = 22.6

The population count for the unincorporated area in Ventura County is used to calculate the population base for Ventura County park thresholds of significance (in their Initial Study Impact Assessment Guidelines).
