

DOCKETED

Docket Number:	13-AFC-01
Project Title:	Alamitos Energy Center
TN #:	214151
Document Title:	Power Plant Demolition Video
Description:	N/A
Filer:	ELIZABETH LAMBE
Organization:	Los Cerritos Wetlands Land Trust
Submitter Role:	Intervenor
Submission Date:	10/21/2016 4:28:19 PM
Docketed Date:	10/21/2016

I'm submitting a video of a power plant demolition project of a similar sized facility in similar surroundings to the Alamos Generating Station. The video illustrates noise levels that flush birds from habitat at a significant distance from the power plant. The video also illustrates dust plumes from the demolition that will likely settle in the surrounding wetlands.

The video can be viewed at: <https://www.youtube.com/watch?v=QK9G2fKjuNE>

The video is also attached below.
