Subject: Summary of Committee Report After November 22, 2016, Closed Session

Following its closed session during the November 22, 2016, Committee Status Conference, the Committee made an oral report, summarized as follows:

1. We will consider the LADWP Motion to Exclude Documents and Supplemental Declarations Submitted by CEC Staff¹ at a Committee Conference on December 15, 2016. Formal notice will follow.
2. No Committee events will occur on December 7, 2016. Release your calendar holds on that date.
3. We encourage staff and LADWP to continue discussions to see if they have additional points of agreement. We ask that they file a joint written summary of any agreements or a statement that none have been reached by no later than December 6, 2016.
4. The Committee is working to prepare a tentative decision. Following its release, the parties will be given time to review and comment, both in writing and orally at a future Committee Conference. We expect to release the tentative decision after our December Committee Conference.
5. We've identified the following potential date for a January Committee Conference, to include consideration of written and oral comments on the tentative decision:

Tuesday, January 10, 2017 (morning to mid-afternoon)

Please file your comments on any schedule conflicts by November 30, 2016.
