PETITION TO AMEND THE:

HUNTINGTON BEACH ENERGY PROJECT

Docket No. 12-AFC-02C

ENERGY COMMISSION STAFF’S COMMENT REGARDING SCHEDULE

On November 21, 2016 the South Coast Air Quality Management District published the Final Determination of Compliance for the Huntington Beach Energy Project. Staff appreciates the tremendous effort the Air District has put forth to address late project changes and comments on the Preliminary Determination of Compliance.

On November 22, the Committee filed a Memorandum indicating that the Evidentiary Hearing set for November 30, 2016 is cancelled. The Committee stated its preference to conduct a single Evidentiary Hearing on all issues in both Parts 1 and 2 of the FSA. Within minutes of that filing, the project owner filed a Proposed Schedule. Having read and considered the Project Owner’s Proposed Schedule, staff agrees with the dates as proposed and will make every effort to publish the FSA Part 2 prior to December 9, 2016.

DATED: November 22, 2016

Respectfully submitted,
