LADWP RPS Appeal Proceeding
(16-RPS-02)

Date : February 23, 2017

From: LADWP RPS Appeal Committee

Subject: **The Proposed Decision Will Not Be Considered by the Energy Commission on March 8, 2017**

Previously the Committee indicated that the full Energy Commission review of the Committee Proposed Decision might occur during the March 8, 2017 Business Meeting.

On February 23, 2017, LADWP filed a Request for the Committee to Defer the Energy Commission's Consideration of the Committee's Proposed Decision Until After March 8, 2017 Business Meeting,¹ stating that LADWP personnel will be unavailable to participate on that date.

For this reason, the decision will not be considered in March but is expected to be presented for consideration at the April 12, 2017 Business Meeting.
