(16-RPS-02)

Date : March 23, 2017

From: LADWP RPS Appeal Committee

Subject: The Committee Proposed Decision Will Not Be Considered by the Energy Commission on April 12, 2017.

Previously the Committee indicated that the full Energy Commission review of the Committee Proposed Decision might occur during the April 12, 2017 Business Meeting.

On March 13, 2017, LADWP filed a Request for the Committee to Defer the Energy Commission's Consideration of the Committee's Proposed Decision Until After April 12, 2017 Business Meeting,¹ to allow an opportunity for Mr. Mel Levine, the President of LADWP's Board of Water and Power Commissioners, to meet with the Committee members. That meeting has been scheduled on May 1, 2017, at 3:00 p.m. at our offices in Sacramento. Formal notice will be filed next month. Please mark your calendars in the meantime.

For this reason, the Proposed Decision will not be considered in April but will be presented for consideration at a subsequent Business Meeting, no earlier than June. Formal notice of that Business Meeting will be filed in the docket of this proceeding at least 10 days prior to the meeting.
