Subject: **Docket # 17-IEPR-02 Scrivener's Errors in Instructions for Forms S-1, S-2, S-5, and in Form S-5 spreadsheet, adopted December 14, 2016**

The Energy Assessments Division, which prepared the Electricity Resource / Supply Plans Forms and Instructions adopted December 14, 2016, has discovered scrivener's errors in the instructions for Forms S-1, S-2, S-5, and in Form S-5 spreadsheet, and has made the following corrections in the attached documents:

Instructions for Forms S-1 and S-2:

- The word "proposed" is removed from no Abstract, page iii.
- The wording of "scheduled for adoption" in the Executive is changed to "were adopted," page 1.
- Instructions for Line 2d are revised from PG&E to SCE, page 11.

Instructions for Form S-5:

- The wording is revised to clarify that some LSEs are exempt from filing as specified in Table 1, page 28.
- Under the section for Information Format Requirements, the reference to a sample template is deleted, page 28.

Form S-5 (spreadsheet):

- In the column after City of Locality, inserted a column for Fuel Type, Tab *S-5 Table*.
- In the column after Supply Resource(s) Balancing Area, deleted the column for CEC ID, Tab *S-5 Table*.
- In the column after Firm, inserted a column for Firming or Shaping for Variable Energy Resources, Tab *S-5 Table*.
