Comments on Staff-Proposed Timetable

This is a modification of the "hold the date" portion of my April 5, 2017 Memo.¹ The Committee has changed the date for its Committee Conference to consider the schedule proposals and other pending matters regarding this proceeding from the previous May 1, to **Friday, April 28, 2017**. Please mark your calendars accordingly. The location will be our offices in Sacramento. A Spanish translation will be available via a second WebEx connection. Formal notice will follow later this month.

This afternoon Ms. Roessler, Counsel for the Environmental Defense Center et al., asked me for confirmation of the deadline for party comments on the Staff Proposed Timetable, filed on April 5.² The Committee's order set a deadline of "no later than 10 days after" the filing of Staff's proposal.³ As the tenth day falls on a Saturday (April 15), the deadline is extended to the following Monday (April 17) pursuant to Title 20, California Code of Regulations, Section 1003.
