Project Title: **ALAMITOS ENERGY CENTER**

Energy Commission Docket Number: 13-AFC-01

Energy Commission Contact Person: Keith Winstead, Project Manager Telephone: (916) 654-5191

Project Location: The Alamitos Energy Center (AEC) is proposed to be located at 690 North Studebaker Road in the city of Long Beach, California.

Project Description: The proposed Alamitos Energy Center (AEC) is a AEC as currently proposed, would be a nominal 1,040-megawatt (MW), natural-gas-fired, combined-cycle and simple-cycle, air-cooled electrical generating facility consisting of two power blocks to provide fast starting and stopping, reliable, flexible multistage generating resources. Power Block 1 would consist of two natural-gas-fired combustion turbine, 640-megawatt (MW), generators (CTG) in a combined-cycle configuration (collectively AEC CCGT), with two unfired heat recovery steam generators (HRSG), one steam turbine generator (STG), an air cooled condenser, an auxiliary boiler, and related ancillary equipment. Power Block 2 would consist of four natural gas-fired, simple-cycle CTGs with fin-fan coolers and ancillary facilities (collectively, AEC SCGT) for a nominal 400-MW.

On April 12, 2017, the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. With mitigation, the project will not have a significant effect on the environment;
2. Mitigation measures were made conditions of approval of the project;
3. The project is in compliance with all laws, ordinances, regulations and standards (LORS); and
4. A statement of Overriding Considerations was not adopted for the project.

The Commission docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. This and other information regarding the project is also available on the Commission's web site located at <http://www.energy.ca.gov/sitingcases/alamitos/index.html>
