Subject: Docket #15-IEPR-03 Demand Forecast

Re: Electricity Resource Plans Filing for Liberty Utilities (CalPeco Electric) LLC

Dear Sir or Madam:

Liberty Utilities (CalPeco Electric) LLC, ("Liberty Utilities") is an investor owned utility serving portions of seven California counties along the California/Nevada border and is subject under Docket #15-IEPR-03 to file a demand forecast.

Liberty Utilities' 2016 system peak totaled January 125.933 MW. Since Liberty Utilities' system peak was under the 200 MW filing threshold for calendar year 2016, no formal demand forecast will be submitted.

If there are any questions or concerns, feel free to contact me.

Regards,

A handwritten signature in black ink, appearing to read "Alain Blunier", followed by a long horizontal line extending to the right.
