**Subject:** Motions and Petition Docketed 4-7-17 in the Delta Energy Center Matter

Mr. Simpson -

This email is in reference to the motions and petition you and Helping Hands Tools docketed on April 7, 2017, regarding the Commission's March 8, 2017, approval of amendments to the Delta Energy Center certification. Please be advised that the Commission's regulations regarding motions and Warren Alquist Act provisions regarding petitions for reconsideration apply only to parties. Because you and Helping Hands Tools were not parties to the amendment proceeding, neither of you are authorized to submit the motions and petition. Accordingly, the Commission will not take action on your submissions.

Thanks,

Kirk Oliver  
Senior Attorney  
California Energy Commission
