RE: **Application for Confidential Designation for Data Included in the
Electricity Resource Plans for the 2017 IEPR
Docket No. 17-IEPR-02**

Dear Mr. Harding:

The California Energy Commission is in receipt of an Application for Confidentiality submitted on behalf of Imperial Irrigation District (Applicant). The application seeks confidential designation for information that is substantially similar to information that was previously deemed confidential by the California Energy Commission, and Applicant certifies that the information submitted is substantially similar to the previously submitted information and that the facts and circumstances relevant to confidentiality remain unchanged. Therefore, Applicant has successfully submitted a repeated application pursuant to California Code of Regulations, title 20, section 2505(a)(4) for the following Electricity Resource Plan Forms (Confidential Records):

1. S-1 (cells B:85-N:85);
2. S-2 (cells B:85-N:85); and
3. S-5 (cells B:12-19, C:12-19 and N:12-19 through P:12-19).

This grant of confidentiality is only for those portions specified above marked by yellow highlighting in the Confidential Records. Please file a public version of the forms to the docket. This public document should be redacted only to the point necessary to protect confidentiality.

Mr. Harding
