Road Closure Suggestion

Hello,

I would like to raise a concern regarding the direction of the natural gas pipeline. According to the filing a "Natural gas pipeline connection via either a new 12- or 16-inch-diameter pipeline that will extend either 2.75 miles north along Dale Avenue to Southern California Gas Company's (SoCalGas's) Line 1014 at La Palma Avenue or 1.78 miles south along Dale Avenue to SoCalGas's Line 1244 at Lampson Avenue." The City of Anaheim along with other Government Agencies have been performing numerous road construction projects along Dale Ave and Lincoln Ave for almost a decade straight now. The construction has truly hurt the businesses and the community as a whole.

I would like to request that you consider the shorter route of 1.78 miles towards Lampson Ave.

We greatly appreciate your consideration in this matter.

Best Regards,
Craig Clausen
