Subject: **RESPONSE TO STAFF REQUEST FOR A COMMITTEE STATUS CONFERENCE**

In its May Status Report, the Applicant indicated it had withdrawn its position in the California Independent System Operator's (California ISO) Cluster Study 9 and had filed for inclusion in the California ISO's Cluster Study 10.¹ Energy Commission Staff responded that the information from the California ISO study is important to the analysis of the project, particularly as it relates to transmission system engineering, and requested a Committee Status Conference to discuss the impacts this change may have on the schedule and Staff's publication date of the Preliminary Staff Assessment.²

The Committee requests that the Applicant respond to Staff's request for a Committee Status Conference and provide its available dates for a Status Conference during the month of June.

The Committee also requests that Staff provide dates of its availability during the month of June.

All responses from the Applicant and Staff shall be filed using the Energy Commission's e-filing system by 5:00 P.M. ON MAY 12, 2017.
