Subject: Potential Dates for Energy Commission Consideration of a Committee Proposed Decision

Mr. Lebron:

At present, the earliest identified full Energy Commission meeting at which both the Committee members and Mr. Mel Levine, President of the LADWP Board of Water and Power Commissioners, can be present is the October 11, 2017 Business Meeting. Mr. Levine asked to be present to address the Commissioners.

We recently identified two additional dates on which the full Energy Commission could meet and offer them for your consideration:

August 7
August 30

Please let me know if either date would fit into your schedules. Commission Staff, please check your calendars as well.
