Re: **Sonoran Energy Project (02-AFC-01C)**
AltaGas Sonoran Energy Inc.'s Status Report #19

Dear Commissioners and Hearing Officer Lee:

Project Owner AltaGas Sonoran Energy Inc. ("Project Owner") herein submits Status Report #19 related to the pending Petition to Amend the Sonoran Energy Project ("SEP"). Project Owner continues to evaluate issues associated with information set forth in Western Area Power Administration's ("WAPA") updated Interconnection Facilities Study, the revised final version of which Project Owner received on April 7, 2017. Since Project Owner continues to evaluate certain interconnection-related issues associated with SEP, the Affected Systems Study remains outstanding.

Project Owner will provide additional updates as more information becomes available. In the meantime, if you have any questions, please contact Project Owner's representative Peter Ledig directly at (469) 904-5208.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Melissa A. Foster", is written over a light blue horizontal line.
