Comment on 2017 IEPR Renewable Gas

I would like to encourage the committee to include the following to meet with SB 1383 requirements.

1. Provide Long-Term Market Certainty for Renewable Gas
2. Adopt Technology Neutral Definitions and Incentive Programs
3. Facilitate Pipeline and Transmission Line Access
4. Increase Incentives for Renewable Gas and Low Emission Vehicles
5. Increase RD&D for Renewable Gas
6. Changes Needed to the BioMAT and RPS Programs
7. Determine Priority End Users
