In the Matter of:

Application For Certification
**STANTON ENERGY RELIABILITY
CENTER**

DOCKET NO. 16-AFC-01

**STANTON ENERGY RELIABILITY
CENTER, LLC's STATUS REPORT No. 3**

In accordance with the Committee Scheduling Order dated May 1, 2017, Stanton Energy Reliability Center, LLC (SERC, LLC) has prepared this Status Report No. 3 to inform the Committee of the progress made in the review of the Application For Certification (AFC) for the Stanton Energy Reliability Center (SERC). The following summarizes the status of the Commission process since the filing of Status Report No. 2 on June 15, 2017.

Data Requests and Responses

SERC, LLC has not received additional Data Requests from Staff. In its responses to the first set of CEC Staff Data Requests, SERC, LLC referred to a study that is being completed which will provide technical support to show that the SERC will displace fossil-fired generation in the South Coast Air Basin. SERC, LLC anticipates delivering the results of the study to CEC Staff by early August, 2017.

SCAQMD

SERC, LLC continues to work closely with the District to advance the publication of the Preliminary Determination of Compliance (PDOC). At this time there are no outstanding data request from the District and SERC, LLC believes that the District has everything it needs to prepare and publish the PDOC.

Union Pacific Railroad Company Comments

On May 23, 2017, Union Pacific Railroad Company (UP) docketed comments on the SERC facility. SERC, LLC had a meeting with UP representatives on July 13, 2017 to discuss the comments. SERC, LLC and UP agreed to continue to exchange information and continue the dialogue.

Community Relations

On June 23, 2017 W Power received the 2017 North Orange County Chamber of Commerce Business Excellence and Leadership Award. W Power was recognized by the Chamber for its leadership in partnering with the City of Stanton on the Stanton Energy Reliability Center, creating a fund to sustainably support ongoing parks maintenance and creating a local scholarship fund for deserving high school seniors pursuing careers in Science Technology Engineering and Mathematics. Many elected officials were on hand for the awards ceremony and W Power received Certificates of Recognition from: US Congressman Ed Royce (39th district), State Senator Josh Newman (29th district), Assemblywoman Sharon Quirk-Silva (65th district), The State Board of Equalization, The City of Stanton, The City of Fullerton, and the City of Placentia.

Dated: July 17, 2017

Respectfully Submitted,
