<b>SUBJECT:</b>	Update- Current school impact fee for commercial/industrial development in the Santa Paula Unified School District and Briggs Elementary School District		

**COMMENTS:**

Staff spoke with Ms. Monique Terrazas with the Santa Paula Unified School District (Santa Paula USD) to find out if the proposed increased developer impact fee was approved by the Board of Supervisors. Ms. Terrazas confirmed that the updated developer impact fee (\$0.56), adopted at the July 12<sup>th</sup> Santa Paula USD Board of Supervisors meeting would be collected between the Santa Paula USD and the Briggs Elementary School District (Briggs ESD) and allocated based on one third to Santa Paula USD and two thirds to Briggs ESD. Based on these allocations, the updated school impact fee for commercial/industrial development for the Santa Paula USD is \$0.19 per square foot of covered, enclosed space and \$0.37 for the Briggs ESD.
