Subject: Support of Docket for proposed language for making future upgrade to HPWH easier

I appreciate the opportunity to comment on the Pre-Rulemaking for Title 24 2019.

I wish to voice my support of the language proposed from Yanda Zhang.

The proposed language was presented in:

Docket Number: 17-BSTD-01
Project Title: 2019 Building Energy Efficiency Standards PreRulemaking
TN Number: 221783
Title: [ZYD Energy Comments On 2019 T24 Code Language Recommendation](#)
