Subject:

Filing of Notice of Decision in compliance with Public Resources Code section 21080.5

and Title 20, California Code of Regulations, section 1768

Project Name:

Palomar Energy Center Air Quality Petition to Amend

Energy Commission Docket Number:

01-AFC-24C

Energy Commission Contact Person: Leonidas Payne

Phone #: (916) 651-0966

Project Location:

The facility is situated on a 20-acre site within the Escondido

Research and Technology Center, a 184-acre industrial park in the city of Escondido in San Diego County. The project site is about 600-feet southwest of the intersection of Vineyard Ave. and

Enterprise St., west of Interstate 15 and south of State Highway 78.

Project Description:

The facility is a 500-megawatt natural gas fueled power plant

consisting of two combustion turbines.

Modification Description:

The amendment requests to (1) modify certain air quality conditions

of certification to be consistent with the most recent San Diego County Air Pollution Control District (SDAPCD) air permit to

operate; and (2) upgrade the advanced gas path technology for two existing General Electric Frame 7-FA combined-cycle gas turbines.

On December 13, 2017, the California Energy Commission approved the above-described project change pursuant to a regulatory program certified by the California Secretary of Resources under section 21080.5 of the California Public Resources Code, finding that:

1. The petition meets all the filing criteria of Title 20, section 1769 (a), of the California Code of

Regulations, concerning post-certification project modifications;

2. The modifications will not change the findings in the Commission's Final Decision, pursuant to Title 20, section 1748, of the California Code of Regulations;

3. The project will remain in compliance with all applicable laws, ordinances, regulations, and standards, subject to the provisions of Public Resources Code, section 25525;

4. The modifications will not result in any significant impacts to public health and safety, or to the environment.

The Commission's docket files containing the Energy Commission's Final Decision and other information regarding the project are open to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814.
