Carlsbad Energy Center Project

San Diego Gas & Electric Natural Gas Pipeline Work Notice

Meeting California's Energy Needs with Environmental Responsibility

Extended Work Hour Notification – January 2018

San Diego Gas & Electric Pipeline Installation

San Diego Gas & Electric (SDG&E) will be performing natural gas pipeline installation for the Carlsbad Energy Center Project site located at 4600 Carlsbad Boulevard in Carlsbad, California. The pipeline installation will require a 24 hour continuous work schedule for a limited time to complete pipeline interconnection. The 24 hour schedule work will be performed mid-January 2018 and is expected to require four (4) days to complete.

Noise Hotline

Carlsbad Energy Center maintains a 24-hour "hotline" for the public to ask any questions or express any noise-related concerns that may arise during construction activities at the site. Callers will be prompted to record a voicemail message which will be immediately transferred to the project's Noise Monitoring Officer. Callers may also press "0" to be directed to a person who will collect information about your concern or comment and direct it to the project's Noise Monitoring Officer.

Noise Comment Hotline
