Re: Request for Extension of Comment Period on the Preliminary Staff Assessment (PSA) for the Mission Rock Energy Center

As the Ventura County Supervisor representing the Third District, which includes the proposed Mission Rock Energy Center, I support the request of the Committee to extend the comment period on the Preliminary Staff Assessment (PSA) for an additional 90 days after January 26, 2018.

The proposed extension would allow much needed time to address continuing impacts of the recent Thomas Fire in the area near the proposed site as well as engage with the community on other unresolved and problematic environmental concerns.

Sincerely,

Kelly Long, Supervisor
Third District
