Redwood Coast Energy Authority comments on Prop 39 Competitive Program

Additional submitted attachment is included below.

Comments from Redwood Coast Energy Authority on the Prop 39 Competitive Grant program:

Based on ADA, 40 of the 45 (89%) Humboldt County LEAs fall within Tier 1 and four of the remaining LEAs are Tier 2. We request that the CEC consider adjusting the proposed 10/10/80 allocation to the 3 tiers, to allow increased funding to Tiers 1 and 2, given that the language of SB 110 allows the Energy Commission some discretion in adjusting the funding allocations as stated in Section 26205.5

(a)(3)(A)(ii):

The Energy Commission may adjust the funding allocations specified in clause (i) and may add additional categories based on average daily attendance to further the purposes of Section 26227.2.
