Prop 39 School Bus Replacement Program

Orange USD appreciates the repurpose of Prop 39 funds to replace California's aging school bus fleet.

Orange USD replaced its thirty-one (31) aging fleet (Old Crown school buses) in 1997-1999. Those 1997-1999 school buses are now ready to be replaced with age and mileage more than 350,000 miles on most. The Orange USD does not have the funds to replace them. Please consider Grant monies for replacing other school buses that may not be as old as some, but for District who were proactive in replacing those older polluting school buses before Grants were available. We miss out on Grants because of the age of the buses. Thank you for your consideration.
