Dear Adrian,
Thank you for responding right away, and I would be very pleased if you would post it to the correct docket number. Many thanks!

Naomi

You can still submit comments to Docket #17-BSTD-02 since we have not closed the docket yet. Would you like me to submit what this to the docket or would you like to submit a new comment on your own?

Subject: FW: California flicker standard

Dear Mr. Ownby,
Yesterday I sent the email below to colleagues working in flicker, and Dr. Wilkins responded with your contact information. I commented earlier on proposed flicker standards, and hoped yesterday to return to the site and update my comments. But, I think the deadline was last Monday. So, I'm writing to you directly. Please see my comments below.
