Background

On March 14, 2012, the Commission issued an Order Instituting Rulemaking to consider standards, test procedures, and labeling requirements for appliances.

Staff held the Invitation to Participate (ITP) workshop on May 11, 2017 to request information that will shape the Commission's phase 2 standards.

Staff held an Invitation to Submit Proposals Webinar on August 1, 2017. The comment period closed on September 18, 2017.

Background

The Energy Commission received proposals as part of the Invitation to Submit Proposals

Respondents:

- ▶ California Investor Owned Utilities (CA IOU)
- ▶ Center for Irrigation Technology (CIT)
- ▶ Irrigation Association (IA)
- ▶ Natural Resources Defense Council (NRDC)
- ▶ Appliance Standards Awareness Project (ASAP)

Thank You!

Background

On February 14, 2018, the Commission published the Draft Staff Analysis of Water Efficiency Standards for Spray Sprinkler Bodies.

California Energy Commission
