MISSION ROCK ENERGY CENTER

Docket No. 15-AFC-02

ORDER EXTENDING TIME TO RESPOND TO MOTION TO TERMINATE

Background

On December 30, 2015, Mission Rock Energy Center, LLC (Applicant) submitted an Application for Certification (Application) to the California Energy Commission (Energy Commission) seeking permission to construct and operate a 275-megawatt (MW) natural-gas-fired power generation facility, the Mission Rock Energy Center (Proposed Project).¹

On March 30, 2018, the Presiding Member filed an “Order Extending Time to Rule on Notice of Suspension and Motion to Terminate” (March 30 Order).² The March 30 Order required that any response to the Motion to Terminate be filed no later than April 9, 2018.

On April 2, 2018, Applicant sent an email to the Hearing Officer requesting to file its response to the Motion to Terminate on April 13, 2018. The Hearing Officer filed the email, along with a memorandum requesting comments on the desired extension by April 5, 2018.³

Intervenor Wishtoyo Foundation filed a response indicating that it had no objection to the extension.⁴ No other comments on the question of the extension were received.

Based on the lack of objections and brief amount of time requested, the Presiding Member hereby **ORDERS** that responses to the Motion to Terminate shall be **filed no later than April 13, 2018**.
