In the Matter of:

Pio Pico Energy Center

Docket Nos. 11-AFC-01 and 11-AFC-01C

Affidavit of Greg Trewitt in Support of  
Petition to Change Operational Control

STATE OF COLORADO

COUNTY OF DENVER

Greg Trewitt, being duly sworn, deposes and says:

1. I am the Vice President of Operations & Technical Services of Southwest Generation Operating Company, LLC. I have personal knowledge of the matters set forth herein and could competently testify thereto if called as a witness in this matter.

2. The owner of the Pio Pico Energy Center facility is Pio Pico Energy Center, LLC.

3. IIF US Holding LP is the ultimate upstream parent of both Pio Pico Energy Center, LLC and Southwest Generation Operating Company, LLC (“SWG”).

4. SWG is assuming operational control of the Pio Pico Energy Center facility from the contractor that has been operating the facility, NAES Corporation.

5. SWG is an experienced operator of electric generating facilities, and this change in operational control is part of a plan to bring operations of facilities in the IIF US Holding LP portfolio of companies “in-house,” rather than contracting with third party operators.

6. The change in operational control will not result in a change of personnel working at the Pio Pico Energy Center facility.
