MEETING SCHEDULE: Joint Agency Workshop on Clean Energy in Low-Income Multifamily Buildings

May 30, 2018 – 10:00 AM

California Energy Commission
First Floor – Rosenfeld Hearing Room
1516 9th Street, Sacramento, CA 95814

Updated May 29, 2018

(Listed times are general guidelines only.)

Introduction (10:00 – 10:05)

Heather Raitt, California Energy Commission Integrated Energy Policy Report (IEPR) Program Manager

Opening Remarks (10:05 – 10:15)

David Hochschild, California Energy Commission, Lead Commissioner for the 2018 IEPR Update
Andrew McAllister, California Energy Commission, Lead Commissioner for Energy Efficiency
Janea A. Scott, California Energy Commission, Lead Commissioner for Transportation
Karen Douglas, California Energy Commission, Lead Commissioner for Siting
Sandy Goldberg, California Public Utilities Commission, Advisor to Commissioner Rechtschaffen
Adenike Adeyeye, California Public Utilities Commission, Advisor to Commissioner Guzman Aceves

Presentation on the Context of SB 350 Low-Income Barriers and Implementation Efforts (10:15 – 10:30)

Michael Sokol, California Energy Commission

- Background and relevant recommendation(s) from the barriers study, status of interagency coordination and implementation efforts, and other related SB 350 priorities

Presentation on the Current Landscape of the Multifamily Sector (10:30 – 10:45)

Isaac Sevier, Natural Resource Defense Council

- Overview of multifamily building landscape in California, including key needs faced by residents and owners of multifamily buildings.

Presentation on the Clean Energy in Low-Income Multifamily Building (CLIMB) Action Plan (10:45 – 11:15)

Eugene Lee, California Energy Commission

- Description and summary of the CLIMB Action Plan.

Presentation on Utilizing Data to Better Understand Multifamily Buildings (11:15 – 11:30)

Erik Jensen, California Energy Commission

Renee Daigneault, Los Angeles Better Buildings Challenge

- Joint presentation by Energy Commission and City of Los Angeles regarding multifamily building benchmarking programs and use of building data.

Panel I – Program Evaluation and Data on the Multifamily Market (11:30 – 12:30)

Moderator: Martha Brook, California Energy Commission

- Better collection, sharing, and aggregation of data are needed to track multifamily buildings, associated GHG reductions, and other benefits. This includes, incorporating building data-driven metrics into program design, consideration of non-energy benefits into analysis, and costs effectiveness requirements.

Panelists:

- Tami Rasmussen, Evergreen Economics
- Stephanie Chen, Greenlining Institute
- Meredith Milet, California Department of Public Health
- Mary Sutter, Grounded Research
- Nancy Sutley, Los Angeles Department of Water and Power

BREAK (12:30 – 1:30)

Panel II – Innovative Technologies in Multifamily Building Programs (1:30 – 2:30)

Moderator: Mikhail Haramati, California Energy Commission

- Understanding energy innovation knowledge gaps to inform research strategies and actions to encourage broader technology adoption in multifamily buildings.

Panelists:

- Andrew Brooks, Association for Energy Affordability
- Ram Narayanamurthy, Electric Power Research Institute
- Dave Brenner, Fresno Housing Authority
- Mauro Dresti, Southern California Edison
- Alice Stover, MCE Clean Energy

BREAK (2:30 – 2:45)

Presentation: Berkeley Convening on Finance (2:45 – 3:00)

Ted Lamm, UC Berkeley Center for Law, Energy, & the Environment

- Examining opportunities to improve incentives and access to financing for energy savings retrofits in low-income multifamily buildings.

Panel III – Encouraging Investment and Market Adoption (3:00 – 4:00)

Moderator: Eugene Lee, California Energy Commission

- Discussion on potential strategies to increase financing opportunities to improve energy performance in multifamily buildings, including ways to better utilize incentives and attract additional capital.

Panelists:

- Deana Carrillo, California Alternative Energy and Advanced Transportation Financing Authority
- Stephanie Wang, California Housing Partnership Corporation
- Rich Ciraulo, Mercy Housing
- David Hodgins, Sustento Group
- Lane Jorgensen, MG Properties Group

Recap of Workshop Themes and Areas that Need Additional Feedback (4:00 – 4:15)

Jeanne Clinton, Former Special Advisor for Energy Efficiency to the Governor's Office and CPUC
