Project Title: Amendments to the Title 20 Appliance Efficiency Regulations

Project Applicant: California Energy Commission

Project Location - Specific:
 Statewide

Project Location - City: Statewide Project Location - County: Statewide

Description of Nature, Purpose and Beneficiaries of Project:
 Amendments to the Appliance Efficiency Regulations to reflect the most current federal regulations and update state-specific requirements. The updates and clarification edits will improve the accuracy and overall readability of the regulations. No changes to the underlying efficiency standards.

Name of Public Agency Approving Project: California Energy Commission

Name of Person or Agency Carrying Out Project: California Energy Commission

Exempt Status: **(check one):**

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: "Common Sense" 15061(b)(3)
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:
 The updates to reflect current federal regulations do not have a significant effect on the environment because federal efficiency regulations are already in effect regardless of California's regulations. For all the other updates, there is no possibility that the changes may have a significant effect on the environment because they do not change the underlying efficiency standards and therefore have no energy or water savings.
