---

**Education**

---

**Juris Doctorate, University of San Francisco School of Law**, Class of 2017.

Public Interest Certificate with Honors.

**Bachelor of Arts, San Francisco State University**, Class of 2013.

Major: Political Science. Minor: History.

**Professional Certificate, Stanford University**, 2017.

Topic: Energy Innovation and Emerging Technologies.

**Bar Admission:** California – CA Bar No. 319377

**Legal Experience**

---

**Staff Attorney, Clean Coalition. March 2018 – Present.**

- I oversee the Coalition’s participation in the Distribution Resources Planning and Integrated Resources Planning proceedings at the California Public Utilities Commission (CPUC). I also helped draft a Motion to Intervene at the Federal Energy Regulatory Commission (FERC).

**Staff Attorney, Small Business Utility Advocates. December 2017 – March 2018.**

- I advocated on behalf of small businesses in general rate cases in California and Washington D.C. and testified in evidentiary hearings at the CPUC on behalf of small commercial customers.

**Of Counsel, Braun Blasing Smith Wynne, P.C. December 2017 – March 2018.**

- I assisted the firm’s Community Choice Aggregator clients regarding Resource Adequacy issues and proposed CPUC Resolutions. I also assisted a university on an interconnection application.

**Judicial Extern, California Public Utilities Commission, Administrative Law Judge (ALJ) Division. January 2017-May 2017.**

- I attended evidentiary hearings before the CPUC, learned the Commission Rules of Practice and Procedure, helped draft Proposed Decisions and a Petition for Modification for the ALJ’s, and learned to process claims within the Intervenor Compensation program.

**Legal Intern, San Francisco City Attorney’s Office, Energy & Telecommunications Team. August 2016-December 2016.**

- I assisted the City in administrative litigation before the FERC and authored memos on nonbypassable charges in California and the changes to Integrated Resource Planning from Senate Bill 350.

**Public Affairs Intern, Marin Clean Energy. June 2016-August 2016.**

- I engaged with MCE’s new service areas and educated them about their energy choices. I attended town hall meetings, staff meetings, and meetings with private parties to introduce community-choice energy and explained what they could expect with MCE service.

**Legal Intern, California Tahoe Conservancy. June 2015-August 2015.**

- I conducted discovery work when the Conservancy was involved in litigation, drafted a memo regarding the California Environmental Quality Act and helped execute a settlement agreement.
