STATE OF CALIFORNIA

STATE ENERGY RESOURCES
CONSERVATION AND DEVELOPMENT COMMISSION

IN THE MATTER OF:

**THE 2018 INTEGRATED ENERGY POLICY
REPORT UPDATE VOLUME 1**

Docket No. 18-IEPR-02

**2018 INTEGRATED
ENERGY POLICY UPDATE**

WHEREAS, Senate Bill 1389 (Stats. 2002, Ch. 568, § 2) requires the Energy Commission in even-numbered years to "conduct assessments and forecasts of all aspects of energy industry supply, production, transportation, delivery and distribution, demand, and prices" and to "use these assessments and forecasts to develop energy policies that conserve resources, protect the environment, ensure energy reliability, enhance the state's economy, and protect public health and safety" (Public Resources Code § 25301, subd. (a)); and to update these assessments and forecasts in odd-numbered years (Public Resources Code § 25302, subd. (d)); and

WHEREAS, on March 20, 2018, the Lead Commissioner issued a Scoping Order for the *2018 IEPR Update* stating that the 2018 IEPR Update would consist of 2 volumes, the first of which would be a succinct, high-level summary of the innovative energy policies implemented in recent years highlighting the role these policies have played in establishing California's leadership in building a clean energy future; and

WHEREAS, the Scoping Order also identified topics for Volume 1 of the *2018 IEPR Update*, including actions to address climate change and improve air quality, increases in renewable energy, both large-scale and distributed renewable energy resources, advancements in energy efficiency, developments in clean technology innovation, advancements in clean transportation, transportation electrification, and the development of the infrastructure needed to support zero-emission transportation, and efforts to improve energy equity in California; and

WHEREAS, the Lead Commissioner conducted a public workshop on April 20, 2018 in order to solicit input from stakeholders on these topics, released the *Draft*

Toward a Clean Energy Future, 2018 Integrated Energy Policy Report Update Volume I for public review on May 29, and released the *Final Draft Toward a Clean Energy Future, 2018 Integrated Energy Policy Report Update Volume I* for public review along with a notice of proposed adoption on July 20, 2018; and

WHEREAS, the California Energy Commission accepts and approves the final draft *Toward a Clean Energy Future, 2018 Integrated Energy Policy Report Update Volume I* with any changes identified at its August 1, 2018 Business Meeting; and

WHEREAS, judicial review of this Resolution is governed by Public Resources Code, section 25901;

THEREFORE, BE IT RESOLVED, the California Energy Commission hereby adopts the *Toward a Clean Energy Future, 2018 Integrated Energy Policy Report Update Volume I* and directs Commission staff to prepare the report incorporating any changes adopted today along with any non-substantive changes such as typographical corrections.

CERTIFICATION

The undersigned Secretariat to the Commission does hereby certify that the foregoing is a full, true, and correct copy of an Resolution duly and regularly adopted at a meeting of the California Energy Commission held on August 1, 2018.
