NOTICE OF RECEIPT
PETITION TO TRANSFER OWNERSHIP
for the
LA PALOMA GENERATING PLANT (98-AFC-2C)

On August 2, 2018, CXA La Paloma, LLC, filed a petition with the California Energy Commission (Energy Commission) requesting to transfer ownership for the La Paloma Generating Plant (LPGP) from La Paloma Generating Company, LLC, to CXA La Paloma, LLC. The combined-cycle, natural gas-fired, 1,124-megawatt facility was certified by the Energy Commission in October, 1999 and began commercial operations in January, 2003. The power plant is located east of the community of McKittrick in Kern County.

The request would transfer responsibility for compliance with Conditions of Certification to CXA La Paloma, LLC. A statement describing the change in ownership, signed under penalty of perjury by a representative of CXA La Paloma, LLC, was submitted as required by Title 20, California Code of Regulations, section 1769(b). The statement affirms that the new owner agrees to be bound by the requirements of the Energy Commission's Decision for the project and understands the obligations imposed by the Conditions of Certification. The Energy Commission may approve changes of ownership after a 14-day public notice.

The petition requesting the transfer of ownership is available on the Energy Commission's webpage for this facility at <https://www.energy.ca.gov/sitingcases/lapaloma/index.html>. This Notice of Receipt is being mailed to interested parties and property owners adjacent to the facility site who may want to submit comments.
