Exhibit 104 is the legal parcel map of the site when it was created. Because it was created with several other parcels, just looking at the map may be tricky. I wanted to explain that Parcel 2 is best identified by using the western boundary at Pacific Street and the eastern boundary of the channel.

Hi Scott:

Got your message offering to explain Exhibit 104. If you could put your comments in an email, then I could share it with Staff and the Intervenors and avoid an Ex Parte situation.

Thanks,
Ken
