Reasons why project is exempt: The project is to approve a local energy efficiency standards ordinance. This purpose of this ordinance is to reduce greenhouse gas emissions by improving energy efficiency of new construction. It is categorically exempt from the requirements of CEQA because there is no possibility that the ordinance may have a significant negative impact on the environment. In addition, it was determined that the ordinance is exempt pursuant to Section 15308 of the CEQA guidelines, which exempts actions taken by regulatory agencies for the enhancement and protection of the environment.
