RE: Notice of Proposed Action Approved for Publication
CBSC Rulemaking file number CEC 01-18
California Code of Regulations, Title 24, Part 11

Dear Mr. Bohan:

This is to advise you of our determination following a review of the referenced Notice(s) of Proposed Action (NOPA), Express Terms, Initial Statement of Reasons, and other documentation received from your office on December 18, 2017. The California Building Standards Commission (CBSC) staff finds the rulemaking documents in compliance with Article 5 (commencing with Section 11346) of Chapter 3.5 of Part 1 of Division 3 of Title 2 of the Government Code, and that rulemaking may proceed.

CBSC filed NOPA on January 9, 2018, with the Office of Administrative Law (OAL) for publication in the California Regulatory Notice Register. NOPA(s) will be published on January 19, 2018. In addition, pursuant to Government Code Section 11346.4, at least 45 days prior to the hearing and close of the public comment period on the regulatory action, your office must mail NOPA(s) to each person who has filed a request for notification of regulatory actions with your office. We have enclosed copies of the face sheets, filed with OAL for your records.

When contacting CBSC regarding this regulatory action, please refer to the assigned rulemaking file number shown above. If you have any questions or need any further information regarding the above, please contact Gary Fabian by telephone at (916) 263-0916.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael L. Nearman".
