Notice of Opportunity to Comment on the 2019 Energy Code Data Registry Requirements Manual

The California Energy Commission is providing interested parties with the opportunity to comment on the draft 2019 Energy Code Data Registry Requirements Manual and Documents (Title 24, Parts 1 and 6). Electronic copies of the manual and documents may be obtained online at:

https://www.energy.ca.gov/title24/2019standards/post_adoption/.

Background

The Energy Commission approves an updated Data Registry Compliance Manual for each update to the Building Energy Efficiency Standards (Energy Standards). The public is invited to provide comments to the docket on the draft manuals through November 30, 2018.

This Data Registry Requirements Manual (DRRM) provides additional detailed information and explanations regarding the functional and technical aspects of the requirements given in Reference Joint Appendix JA7. This manual is intended as a resource for Data Registry Providers to aid in the design and implementation of software procedures and user interface features for their Data Registries that meet the requirements of Reference Joint Appendix JA7.
