## **No more Gas! Let's go Green!!!**

To Whom It May Concern....

In these dire times... of climate change and globalization... we need leaders who will work to preserve our lands, waterways, food production supplies, forests, public lands, open green spaces and energy conservation !!

We NEED TO GO GREEN! OUR civilization and humans race depend on a clean a viable earth, land, water .... We NEED TO ELIMINATE OIL/gas and switch over to RENEWABLE GREEN TECHNOLOGY AND RESOURCES!

We are only getting warmer as a planet and henceforth, altering our climate, our survival rate, our weather, our futures!

Save Humanity

Save our planet

Save our children's future!!

Go green and phase out oil and gas

Thank You, Lll D
