Notice of Availability
Guidelines for California's Solar Electric Incentive Programs (Senate Bill 1), Seventh Edition
CEC-300-2018-009-CMF
Docket No. 07-SB-01

The California Energy Commission adopted the *Guidelines for California's Solar Electric Incentive Programs (Senate Bill 1), Seventh Edition* (SB 1 Guidelines) at its December 10, 2018, Business Meeting.

The *SB 1 Guidelines* describe the requirements for participating in California Solar Initiative incentive programs, including rating standards for solar energy systems, equipment, and components. Changes include updated safety and performance standards; advanced inverter functionality requirements under California Public Utilities Commission Electric Rule 21; and integration of energy storage and solar. The effective date of the SB 1 Guidelines is December 10, 2018.

The SB 1 Guidelines are available at <https://www.energy.ca.gov/sb1/>.
