EPIC Challenge Comments

Investor-Owned Utility Territory is vast in California.

The EPIC challenge should rule out greenfield sites and award a strong preference towards infill sites

The EPIC challenge should have a preference towards TOD (Transit Oriented Development)

The EPIC challenge should consider removing language regarding encompassing "roughly one city block"

Is the requirement 50% of total units in the project designated affordable or 50% of the 130 targeted residential units (65 units)?

How will Low-Income and Disadvantaged Communities be defined?
