

DOCKETED	
Docket Number:	18-IEPR-03
Project Title:	Southern California Energy Reliability
TN #:	226447
Document Title:	System-Wide Voluntary Curtailment Issued for Electric Generation
Description:	Due to cold weather conditions and high customer demand for natural gas, a system-wide voluntary curtailment of electric generation demand was issued today at approximately 1:30 PM PCT and is effective starting 2:00 PM PCT for gas day February 2, 2019 through gas day February 6, 2019. SoCalGas has issued the system-wide voluntary curtailment order of electric generation demand in accordance with the Aliso Canyon Withdrawal Protocol. The curtailment is a voluntary request coordinated through the Balancing Authorities (CAISO and LADWP) for them to limit and/or reduce electric generation demand on our system, to the extent it does not impact electric system integrity. If needed, the Aliso Canyon Storage field may be used to meet the current demand as well as maintain inventory levels at the other storage fields for core reliability.

System-Wide Voluntary Curtailment Issued for Electric Generation

Due to cold weather conditions and high customer demand for natural gas, a system-wide voluntary curtailment of electric generation demand was issued today at approximately 1:30 PM PCT and is effective starting 2:00 PM PCT for gas day February 2, 2019 through gas day February 6, 2019. SoCalGas has issued the system-wide voluntary curtailment order of electric generation demand in accordance with the [Aliso Canyon Withdrawal Protocol](#). The curtailment is a voluntary request coordinated through the Balancing Authorities (CAISO and LADWP) for them to limit and/or reduce electric generation demand on our system, to the extent it does not impact electric system integrity. If needed, the Aliso Canyon Storage field may be used to meet the current demand as well as maintain inventory levels at the other storage fields for core reliability.

In addition, with the current forecasted weather, SoCalGas is asking customers to conserve natural gas where possible.

All noncore customers should continue to monitor ENVOY® at www.socalgasenvoy.com/ for further updates.

Please contact your Account Representative or the Gas Scheduling Helpline if you have any questions.
