Dear Mr. Deaver,

Attached is the Integrated Resource Plan (IRP) filing of Hetch Hetchy Power, the local publicly-owned electric utility of the San Francisco Public Utilities Commission (SFPUC). - Attachment A: Hetch Hetchy Power’s IRP;
- Attachment B: Standardized Reporting Tables;

¹ Resolution 18-0187 authorized the SFPUC’s General Manager to make “necessary non-material changes” to the IRP filing prior to submission to the CEC. Changes made were limited to: 1) the elimination of an extraneous chart comparing the SFPUC’s energy capacity against other publicly-owned utilities (p. 12), moving the chart on page 20 of the IRP filing one paragraph down for pagination purposes, and correction of minor errors.
